REQUEST FOR PARTY STATUS:

A request for party status must:

- 1) identify the applicant (this could be a company and/or contact name);
- 2) provide the name, address, telephone and email address of the applicant's representative or counsel; and
- 3) briefly summarize what, if any, policy, factual, and legal issues the applicant has with the proposal(s) as of the time of filing the application.

In addition, requests for party status should indicate whether the applicant intends to file an alternate proposal and, if so, briefly describe the scope and nature of the alternate proposal.

The request for party status must be electronically mailed to:

- Air Quality Control Commission staff: theresa.martin@state.co.us
- Air Quality Control Commission attorney: robyn.wille@coag.gov
- Air Pollution Control Division staff: timothya.taylor@state.co.us
- Air Pollution Control Division attorney: david.beckstrom@coag.gov

Requests received beyond the stated deadline shall only be considered upon a written motion for good cause shown. The Commission reserves the right to deny party status to anyone that does not comply with the Commission's Procedural Rules.

STATUS CONFERENCE:

Attendance at the status conference is mandatory for anyone who has requested party status, though each party need only have one representative present. The status conference is intended to ascertain and discuss the issues involved, and to ensure that parties are making all necessary efforts to discuss and resolve such issues prior to the submission of prehearing statements. Parties will be confirmed and a party list will be generated and distributed. The status conference will be held virtually via video conference. A registration link will be provided by the Commission's office prior to the status conference. Note that if the Hearing Officer deems the status conference unnecessary, the status conference may be cancelled.

ALTERNATE PROPOSAL:

Alternate proposals will be considered by the Commission "only if the subject matter of the alternative proposal is consistent with and fits within the scope of the notice." 5 CCR 1001-1, Section (V)(E)(4)(b). The submittal of an alternate proposal must be accompanied by a separate electronic copy of the alternate proposed rule and statement of basis and purpose language and all other associated documents as required by the Commission's Procedural Rules, including an economic impact analysis. Alternate proposals and associated exhibits must be emailed to all persons listed on the party status list or otherwise provided through an approved method of electronic transmission.

PREHEARING STATEMENTS:

Each party must submit a prehearing statement. Exhibits to a prehearing statement must be submitted in a separate electronic transmission. Prehearing statements and associated exhibits must be emailed to all persons listed on the party status list or otherwise provided through an approved method of electronic transmission. Prehearing statements must contain all the necessary elements described in subsection V.E.6.c of the Commission's Procedural Rules (5 CCR 1001-1).

PREHEARING CONFERENCE:

Attendance at the prehearing conference is mandatory for all parties to this hearing, though each party need only have one representative present. The prehearing conference will be held virtually, and registration information will be provided by the Commission's office prior to the prehearing conference.

REBUTTAL STATEMENTS:

Rebuttal statements may be submitted by the Division and any party to the hearing to respond to issues and arguments identified in prehearing statements. Rebuttal statements may not raise any issues, or be accompanied by alternate proposals, that could have been raised in the party’s prehearing statement. Rebuttal statements and associated exhibits must be emailed to all persons listed on the party status list or otherwise provided through an approved method of electronic transmission. The filing of rebuttal statements is optional.

DELIBERATION AND FINAL ACTION:

The Commission intends to deliberate and take final action on the proposed changes to these Regulations at the conclusion of the testimony.

STATUTORY AUTHORITY FOR THE COMMISSION'S ACTIONS:

The Act, specifically § 25-7-105(1), C.R.S., directs the Commission to promulgate such rules and regulations as are consistent with the legislative declaration set forth in § 25-7-102, C.R.S., and that are necessary for the proper implementation and administration of the Act. Section 25-7-106, C.R.S., provides the Commission maximum flexibility in developing an effective air quality program and promulgating such a combination of regulations as may be necessary or desirable to carry out that program.

Sections 25-7-105(1)(e)(VI) and 25-7-140(2)(a)(I), C.R.S., authorize the Commission to harmonize Colorado’s GHG reporting program with federal requirements and adopt rules requiring greenhouse gas-emitting entities to monitor and publicly report their emissions as the Commission deems appropriate to support Colorado’s greenhouse gas emission inventory efforts. The Commission is updating all incorporations by reference to the most current versions of the incorporated codes, standards, guidelines, and rules in Regulation 22 consistent with § 24-4-103(12.5), C.R.S., and expanding GHG reporting requirements to more municipal solid waste landfills statewide to support Colorado’s greenhouse gas emission inventory efforts.

The rulemaking hearing will be conducted in accordance with Sections 24-4-103 and 25-7-110, 25-7-110.5 and 25-7-110.8 C.R.S., as applicable and amended, the Commission’s Procedural Rules, all other applicable rules and regulations, and as otherwise stated in this notice. This list of statutory authority is not intended as an exhaustive list of the Commission’s statutory authority to act in this matter.
