

NOTICE OF PUBLIC COMMENT HEARING

Regarding:

**Suncor Energy (U.S.A.), Inc.
Commerce City Refinery Plant 2 (East) - Adams County
Title V Operating Permit Reopening (95OPAD108)**

SUBJECT:

The Colorado Air Quality Control Commission will hold a public hearing to elicit and record comments on the proposed reopening of the Title V Operating Permit for the Suncor Energy Commerce City Refinery Plant 2 (East) located at 5800 Brighton Boulevard, Commerce City, Colorado.

Section 25-7-114.5(6)(b) of the Colorado Revised Statutes provides an opportunity for any interested person to provide comments on the sufficiency of the proposed revisions to the operating permit and accompanying documents and whether the permit application should be approved, denied, or modified. Comments from the public are invited regarding the scope of the reopening of the operating permit for the Suncor Energy Commerce City Refinery Plant 2 (East). Instructions for providing public comment are provided within this notice and must be followed so the comments may be properly received and recorded into the hearing record.

All required documents for this public comment hearing including this Hearing Notice can be found on the Commission website at: [121024 & 121424 -- Suncor Energy Plant 2 \(East\) Public Comment Hearing](#)

The Notice of Public Comment Hearing can also be viewed at the Adams County Clerk's Office at 4430 South Adams County Parkway, 1st Floor Suite E2400, Brighton CO 80601, Phone: 720-523-6020 during regular business hours. The draft operating permit and accompanying documents (i.e. Technical Review Documents) may also be viewed at the offices of the Colorado Department of Public Health and Environment, Air Pollution Control Division at 4300 Cherry Creek Drive South, Glendale, Colorado 80246 or be found on the website at: <https://cdphe.colorado.gov/apens-and-air-permits/air-permit-public-notices>

PARTY STATUS:

This is not a notice for rulemaking hearing and the Commission will not consider party status requests.

HEARING SCHEDULE:

The Air Quality Control Commission hearing will be held virtually over Zoom, in accordance with guidance from the Colorado Department of Public Health and Environment and the Centers for Disease Control and Prevention, related to the COVID-19 pandemic. There will be no in-person participation. For more information on virtual meetings, please refer to the Air Quality Control Commission website <https://cdphe.colorado.gov/aqcc>. These hearings will be recorded.

DATE: December 10, 2024

TIME: 4:30 p.m. - 6:30 p.m.

The public comment hearing will begin at 4:30 p.m., and the hearing will conclude by 6:30 p.m. or earlier if all who wish to speak have been heard.

Meeting Registration Link: [Suncor Plant 2 \(East\) Title V Permit Public Comment Hearing - December 10](#)

DATE: December 14, 2024

TIME: 8:30 a.m. - 10:30 a.m.

The public comment hearing will begin at 8:30 a.m. and the hearing will conclude by 10:30 a.m. or earlier if all who wish to speak have been heard.

Meeting Registration Link: [Suncor Plant 2 \(East\) Title V Permit Public Comment Hearing - December 14](#)

To provide public comment you must register using the appropriate Zoom link provided above. The Commission hearing officer will set reasonable time limits for all oral statements.

If the public comment registration has not filled for the allotted time, the public sign up will be closed 24 hours before the start of the meeting. All participants will be notified of their confirmation to speak.

IMPORTANT: The purpose of the public comment hearing is to solicit comments regarding the reopening of the proposed operating permit and its supporting documents. **Public comments on air quality issues not related to the reopening of the Title V operating permit will not be accepted into the record.**

PUBLIC PARTICIPATION ENCOURAGED:

The Commission encourages all interested persons to provide their written comments in advance of the hearing and oral comments during the hearing. The Commission encourages that all written comments, handouts, or exhibits be submitted by November 26, 2024 so that the Hearing Officer has the opportunity to review the information prior to the hearing. However, written comments will be accepted by the Commission up to the close of the public comment hearing.

PROCEDURAL MATTERS:

Submissions to the Commission should include: your name and the name of the group or organization that you may be representing (if applicable).

Electronic submissions are to be emailed to: cdphe.aqcc@state.co.us

Written submissions are to be mailed to:

Colorado Air Quality Control Commission
Colorado Department of Public Health and Environment
4300 Cherry Creek Drive South, EDO-AQCC-A5
Denver, Colorado 80246

The Commission has the discretion to provide additional time after the hearing to submit written public comments.

Live Spanish interpretation will be provided for each public comment session.

The Commission will not take action or issue rulings during the hearing.

Dated this 31st day of October 2024 at Denver, Colorado.

Colorado Air Quality Control Commission

Jojo La, Administrator
