

**M E M O R A N D U M**

**TO:** Honorable Chairman and Members of the Board of County Commissioners

**FROM:** Joe Kerby, County Manager

**RE:** Contract for Safety Action Plan Development Consulting Services– Consor North America, Inc.–Transportation & Engineering (Not to Exceed \$680,748.00) (Funding & Award Safe Streets for All)

**Date:** 6/10/2025

---

**Staff Recommendation:** Whereas, Jefferson County received the Safe Streets for All Grant (SS4A) for a Vision Zero Safety Action Plan. The project is focused on strengthening local approaches to roadway safety which will save lives.

Wherefore, staff recommends that the County enter into a contract with Consor North America, Inc. for the Project in an amount not to exceed \$680,748.00.

NOW, THEREFORE, BE IT RESOLVED, that the Board of County Commissioners authorizes the County to enter into a contract between Jefferson County, the City of Lakewood and Consor North America, Inc. for the Project and further authorizes the Purchasing Manger to execute the contract in the final form as approved by the County Attorney. The County's Representative is Christina Lane, or another person as may be designated by the Division Director of the County Manager.

Contract duration is from issuance of Notice to Proceed through 4/6/2027.

**Resolution No: CC25-150**

**Background:** Jefferson County entered into a grant agreement funded through the Federal Infrastructure Investment and Jobs Act (IIJA) with the U.S. Department of Transportation (USDOT) for the SS4A Grant. The project will complete a Vision Zero Safety Action Plan for Jefferson County, including

Cities of Lakewood, Morrison, Golden, Wheat Ridge, Mountain View, Lakeside, and Edgewater. The funds are provided under the Bipartisan Infrastructure Law, which establishes the SS4A discretionary grant program to strengthen local approaches to roadway safety and save lives. Completion of the Safety Action Plan will allow Jeffco and participating municipalities to be eligible for future federal implementation grants.

The project is funded by an 80% federal grant/20% local match. The county entered into an Intergovernmental Agreement (IGA) with the City of Lakewood for cost sharing and the City of Lakewood agreed to provide up to \$80,000 of the local match requirement for the federal grant.

To accommodate the required revisions from the Federal Highway Administration, including a multijurisdictional approach and a unified Safety Action Plan, staff requested and received an 18-month contract extension. On March 20, 2025, USDOT approved the County's request to extend the contract. The new contract end date is April 6, 2027

**Fiscal Impact:** Funding for services is available and approved in the 2025 budget through the Road & Bridge Fund Schedule of Expenditures of Federal Awards (SEFA) Federal Grants (FD111).
